BIOGRAPHICAL INFORMATION
DATE: 05/24/91

In addition to loving the land Daniel also loved finding new ways that would make it more productive. His motivation to move to Missouri may have been inspired by Daniel Boone who hailed from near Sailsbury, N.C. prior to his move to the west. Daniel Crider settled across the Missouri river and several miles to the west of Daniel Boone in what later would become Gasconade county, Missouri. The Crider family moved to Missouri in 1818. When the Crider's settled in the area, they along with the Reed's, Maupins and Ridenhours had a great deal to do with the eventual formation of Gasconade county in 1820.

Daniel and his sons Joseph, James and Daniel Jr. were listed as qualified voters in Gasconade Cty on June 6, 1828, as well as Frederick Barbarick and Peter Walter.

The Crider family may have lived in an area North of Mt. Sterling and close to the Gasconade rive at about this time, an area known as "Crider hollow". On April 5,1832, Daniel purchased 80 acres of choice bottom land south of Mt. Sterling and soon took up residence there. This same land was bequeathed to his son James Crider (144.1) in Daniel's will dated 1837. Daniel lived on this property the last few years of his life.(See description p 52-53 of Crider family history). The land is north of Bland, Missouri. Many deer abounded in Gasconade county and provided a bountiful supply of food along with the numerous fish from Crider creek.

Dear Fred,
If my recoprds from the Mennonite Historical socirty are correct, we may be Crider/Kreider cousins. This is part of what I have.

?Jacob Kreyter(ca 1681-1741 and Elizabeth settled along banks of Conestoga River SE of Lancaster City, Lancaster Co., Pa. and had 11 children. One was Tobias (ca 1721 -Mar 1791) who married Ann Buckwalter (#148) (Oct 25,1725-Oct 6,1805), daughter of Theodorus Buckwalter and Barbara Landis.The Landis line has been traced back into the 1500's.

Tobias Kreider had 7 children, the first was Jacob Kreider (1744-1789) who maried Eva Shultz. This sounds like your branch. Toibias 's fourth child was also a Tobias (May 17,1749-May 14,1838) who married first Barbara Diffenbaugh and married second Anna Forrer. I descend from this line a couple ways.

The Mennonite Historical Socirty along Route 30 just East of Lancaster City could give you more or I may get up for some research in a few weeks. It seems to me there has been some recent research into this early family. Well my guess is we're are related. Let me know what specifics you want. I live about 45 minutes SE of Lancaster near Oxford, Chester County, Pa. Where are you located? I may have some maps showing the early settlements.I believe most of then are in Mellinger's Mennonite Cem. along Rt 462 just E of Lancaster.

Hope to hear from you.

(P. 101 of Crider family hisory). In that census he is listed as being 51 years old and a farmer. His marriage to Meekey was the first marriage of a Crider in Gasconade county. James father Daniel lived with him and Meekey at least the last two years of his life. Jim Crider had at least fifty grandchildren.
